The 90 Minute Certificated Series | Attend one, some, or all!

Fall, Winter, Spring

2019 - 2018

Tuesday Teaching Talks

@ 10-11:30 or 2-3:30
in Milam 215

10/1, 1/7, 3/31	Teaching Philosophies & Portfolios Join Lexi Schlosser (CTL) to learn how to use philosophies and portfolios to capture the evolution of your teaching, ideology, and accomplishments. New2OSU Orientation For the last 30 minutes, New2OSU participants will join Brooke Howland (CTL) for a program overview.
10/8, 1/14, 4/7	Creating Equitable & Culturally Inclusive Environments Join Jane Waite (SJEI) for critical inquiry: Why do students experience the same classes differently? How does who we are impact the ways we teach and learn? What constitutes an equitable environment?
10/15, 1/21, 4/14	Supporting Diverse Learners through Culturally Responsive Teaching Join Jeff Kenney (OID) to explore the theory and practice of culturally responsive teaching.
10/22, 1/28, 4/21	Lesson Planning & Reflection Join Funmi Amobi (CTL) to explore various approaches for effectively planning and reflecting on lessons.
10/29, 2/4, 4/28	Collecting Feedback & Responsive Teaching Join Lyn Riverstone (AT) and Kenton Hokanson (CoSci) to learn strategies for collecting, analyzing, and responding to mid-course feedback from students.
11/5, 2/11, 5/5	Cognition & Learning Join Demian Hommel (CEOAS) to explore principles and practices from meta-studies of cognition and learning.
11/12, 2/18, 5/12	“Class Time” Lectures & Active Learning Join Funmi Amobi (CTL) to consider approaches to combining student-centered activities and presentation-style instruction in one class time session.
11/19, 2/25, 5/19	Emotionally Intelligent Teaching Join Shauna Tominey (HDFS) to learn about hands-on tools and strategies that can be embedded into any class to create an emotionally-supportive environment.
11/26, 3/3, 5/26	Assessing Student Work Join Tenisha Tevis (CoEd) to explore the purpose of and approaches to assessing and responding to student work.
12/3, 3/10, 6/2	Interpreting & Responding to Course Data Join Meg Mobley (AgSci) @ Tasha Biesinger (AT) to learn what data is available in Canvas, how to access it, and how it can be used to improve your course design. Please bring your laptop with you.
12/10, 3/17, 6/9	Portfolios to Celebrate Success & Survival Join Lexi Schlosser (CTL) to apply reflective practices as a catalyst to advance teaching and learning while celebrating our success and survival.
